

Where can I find some peace?

Verse 1

E B F#m
Where can I find some peace?

A E
All I bring are broken dreams.

B/D# F#m
I know I can't fix myself,

A F#m
My soul longs for something else.

Pre-Chorus

E B F#m
And then you came for me,

E B F#m
Reached out and rescued me.

E B
I searched but you found me.

A B
Now I know my heart can sing.

Chorus

E A B
You're the one all creation sings for.

E A B
You're the one that we're gathered here for

C#m E/G# A B E
You're the one that this heart's been longing for.

Verse 2

As I am, I will come,

Bowing down, I've been undone.

I know I can't fix myself;

My soul longs for someone else.
